

School Partnership Program

U.S. School Levels of Engagement

Tier 1: FRIEND SCHOOL- Artwork Exchange

- The school agrees that their students will create a minimum of 25 pieces of art for students in Ukraine on a semi-annual or annual basis. There is no maximum number of pieces the students can make.
- The school is encouraged to share photos of the students making the artwork with Hugs From Friends to share with the school that receives the artwork in Ukraine.
- Hugs From Friends agrees to tell the school where they send their artwork in Ukraine and to share any photos/videos they receive back from kids in Ukraine with their artwork.

Tier 2: SUPPORT SCHOOL- Art Exchange + Deeper Student to Student Integration

- Hugs From Friends will match the U.S. school with a partner school in Ukraine to exchange artwork and facilitate deeper student to student exchange
- The school agrees that their students will create a minimum of 25 pieces of art for students at their matched school in Ukraine on a semi-annual or annual basis. There is no maximum number of pieces the students can make.
- The school agrees to assign a lead teacher that will coordinate the student to student exchange with Hugs From Friends and the school in Ukraine
- Hugs From Friends will ship all artwork from the school to their partner school in Ukraine
- Hugs From Friends will facilitate an introductory Google Meet call at the beginning of the program between teachers of the U.S. and Ukrainian schools
- The school and their partner Ukrainian school will be responsible for organizing an exchange program that meets their individual circumstances

Tier 3: SPONSOR SCHOOL- Art Exchange + Deeper Student to Student Integration + Fundraising Event for Ukrainian School

- All commitments in Tier 2
- The school commits to hosting at least one annual public event to raise awareness of the school's exchange program and funds for their partner Ukrainian school.
- Hugs From Friends will help provide generate awareness and media attention for the event
