

## WHAT WE OFFER

- Opportunities for U.S. schools to create art, engage & support students in Ukraine.
- HFF & members of the Ukrainian community visit schools to share personal stories & expertise about Ukrainian history, culture & customs.
- We offer educational resources for students & educators with age appropriate information, articles & videos about the war in Ukraine.

# Support our Mission Become a U.S. School Partner

## Level 1: Friend

As a “Friend” a lead teacher or school participates in our art exchange, where U.S. students create art with positive messages of support and are sent to children in Ukraine.

## Level 2: Support School

In addition to the art exchange, HFF will assign your school with a partner school in Ukraine, allowing teachers and students to engage in letters and communication.

## Level 3: Sponsor School

U.S. School has completed a year as a partner with a Ukrainian school & commits to hosting one annual public event to raise awareness of the exchange program and funds for their partner school in Ukraine.
